Sunday 20th June 2021 – 12th Sunday Ordinary Time Year B

Dear brothers and sisters in Christ,

Last week Pope Francis released a message in anticipation of the annual World Day of the Poor which is celebrated each year in November. Here are a few excerpts from it:

The face of God revealed by Jesus is that of a Father concerned for and close to the poor. In everything, Jesus teaches that poverty is not the result of fate, but a concrete sign pointing to his presence among us. We do not find him when and where we want, but see him in the lives of the poor, in their sufferings and needs, in the often inhuman conditions in which they are forced to live. The poor, always and everywhere, evangelize us, because they enable us to discover in new ways the true face of the Father.

Jesus not only sides with the poor; he also shares their lot. This is a powerful lesson for his disciples in every age. The poor are not people “outside” our communities, but brothers and sisters whose sufferings we should share, in an effort to alleviate their difficulties and marginalization, restore their lost dignity and ensure their necessary social inclusion. Acts of charity presuppose a giver and a receiver, whereas mutual sharing generates fraternity. Almsgiving is occasional; mutual sharing, on the other hand, is enduring. The former risks gratifying those who perform it and can prove demeaning for those who receive it; the latter strengthens solidarity and lays the necessary foundations for achieving justice. In short, believers, when they want to see Jesus in person and touch him with their hands, know where to turn. The poor are a sacrament of Christ; they represent his person and point to him.

Many are the examples of saints who made mutual sharing with the poor their life project. I think, among others, of Father Damien de Veuster, the saintly apostle to the lepers. With great generosity, he answered the call to go to the

island of Molokai, which had become a ghetto accessible only to lepers, to live and die with them. He rolled up his sleeves and did everything he could to improve the lives of those who were poor, ill and outcast. He became both doctor and nurse, heedless of the risks involved, and brought the light of love to that “colony of death”, as the island was then called. He himself contracted leprosy, which became the sign of his total sharing in the lot of the brothers and sisters for whom he had given his life. His testimony is most timely in our own days, marked by the coronavirus pandemic. The grace of God is surely at work in the hearts of all those who, without fanfare, spend themselves for the poorest, sharing with them in concrete ways. We cannot wait for the poor to knock on our door; we need urgently to reach them in their homes, in hospitals and nursing homes, on the streets and in the dark corners where they sometimes hide, in shelters and reception centres. It is important to understand how they feel, what they are experiencing and what their hearts desire.

May God bless you all.
Fr Sean
